AGREEMENT ON EDUCATIONAL EXCHANGE BETWEEN

The Curtin University of Technology
Perth, Western Australia

and

Iowa State University of Science & Technology
Ames, Iowa, USA

This Memorandum of Agreement (MOA) between The Curtin University of Technology and Iowa State University provides for a collaborative program of research, training, curriculum, development, information dissemination, and faculty exchange. The MOA will continue for a period of five (5) years and may be extended by mutual agreement. It can be terminated by either university through written notification to the other institution.

The following activities are appropriate for collaborative efforts; other academic activities may be added when developed and approved by the two institutions.

Iowa State University and the Curtin University of Technology agree to facilitate, where financially feasible, long-term and short-term exchanges of faculty and staff. Sabbaticals, faculty improvement leaves, visiting professorships, research collaboration, and other activities are contemplated.

The faculty exchange can involve programs relating to research, teaching, and/or extension. It can involve any discipline to the extent that individuals are able to locate suitable counterparts at the other university.

Office space and academic facilities provided faculty members may vary among departments. Such arrangements will be made by the visiting faculty member and his/her counterpart at the receiving university.

Prior to finalizing individual visits, faculty members at both universities shall secure approvals from their respective department heads, deans, and university administrative officers.

For conditions of the exchange not covered by this memorandum of agreement or for problems which arise during the course of the exchange agreement, both parties agree to refrain from unilateral action and to consult and negotiate mutually agreeable decisions.
