Agreement on Cooperation
between Iowa State University
Ames, Iowa, USA
and
Institute of Agrarian Economics of Ukrainian Academy of Agricultural Sciences
Kyiv, Ukraine

Preamble

The undersigned parties hereby subscribe to the Agreement on Cooperation as described in the terms contained herein. The contacts between the parties will be on the basis of friendship, equality, and mutual benefit.

Terms of Agreement on Cooperation

In accordance with intergovernmental agreements between Ukraine and the United States, taking into account the will to strengthen friendship and promote cooperation between the two institutions in research, teaching and professional development, the INSTITUTE OF AGRARIAN ECONOMICS OF THE UKRAINIAN ACADEMY OF AGRICULTURAL SCIENCES and the IOWA STATE UNIVERSITY COLLEGE OF AGRICULTURE have jointly developed this agreement which serves to provide the terms of reference for the development of more specific activities that will facilitate technical cooperation.

Among the areas of mutual interest are the following:

1. Cooperation in research, teaching and professional development programs

2. Exchanges of scholars, undergraduate and Ph.D. students, faculty, and trainees in support of short and longer term scientific work, lecturing, participation in scientific conferences, symposia, and workshops

3. Exchanges of textbooks, training materials, journals, data and other printed and electronic material

On the basis of the present agreement, the contracting parties shall prepare an annual plan of work.

To these ends, the Institute of Agrarian Economics of the Ukrainian Academy of Agricultural Sciences and Iowa State University agree to provide the human, technical, infrastructure, and logistical resources necessary to the achievement of the objectives stipulated in work plans that may be developed through this agreement.

It is the understanding of all parties to this agreement that the implementation of any action described herein will depend on the ability of each institution to secure the necessary financial support for joint activities and to secure the necessary expenditure authority. The specific terms of
reference for each project will be prepared separately and attached as an addendum to this agreement.

The present agreement comes into force after being signed by authorized representatives of both institutions and will continue indefinitely. In case a party decides to dissolve the present agreement, it is to inform the other party in written form no less than six (6) months in advance. In the event the agreement is dissolved, both parties shall renegotiate plans of work consistent with available resources and time available for completion.

The present agreement is drawn up in Kyiv, Ukraine in two copies, in English and Ukrainian, both texts are authentic and have equal force.

Addendum

to the
Agreement on Cooperation
Between Iowa State University
Ames, Iowa, USA
And
The Institute of Agrarian Economics of the Ukrainian Academy of Agricultural Sciences
Kyiv, Ukraine

This agreement is prepared as an Addendum to the Agreement on Cooperation between the Institute of Agrarian Economics of the Ukrainian Academy of Agricultural Sciences and Iowa State University which was signed by both institutions on October 25, 1999. Copies are on file with both institutions.

This addendum specifically addresses the cooperation of the parties under the Ukraine Agricultural Policy Project (UAPP), funded by the US Agency for International Development and managed by Iowa State University. The Institute of Agrarian Economics of Ukrainian Academy of Agricultural Sciences is a technical assistance recipient under the UAPP. The Institute of Agrarian Economics provides the UAPP with office space. Iowa State University funds scientific activities of the Institute of Agrarian Economics in compliance with Project’s budget and plan of work approved by USAID for the period October 1, 1999 – October 31, 2000. After the termination of the Project, USAID-owned equipment located in the Institute of Agrarian Economics may be transferred to the Institute of Agrarian Economy with the consent of the USAID.
